Die Fliesen der Serie zeichnen sich durch ein breites Farbspiel V3 aus. | All products of the entire batch show big deviations in shade difference V3.

Wir empfehlen, einzelne Fliesen aus mehreren Paketen herauszunehmen und den gesamten Bodenbelag nach der Inspirationsfotodokumentation in den Katalogen RAKO, eventuell den Webseiten www.rako.eu, zu komponieren. Wünschenswert ist die Kombination aller Fliesendesigns einschließlich ihrer Drehung um 90° oder 180°, sodass ausgewogene Optik der verlegten Fläche erzielt wird.

Before laying the tiles, we suggest you select from several cartons and arrange them as illustrated in the inspiration photo documentation in RAKO catalogues or website www.rako.eu, and mix the tiles to achieve the required result including turning them by 90° or 180°.
