

Die unglasierten einfarbigen Feinsteinzeug-Bodenfliesen der Serie Taurus COLOR stehen für die hohe Qualität unserer Produktion. Kompromisslose Qualität, vielfältige Fliesenoberflächen und zusätzliches technisches Zubehör ermöglichen den Einsatz der Fliesen nicht nur in modernen, zeitlosen Innenräumen, sondern auch in Räumen, an die höhere Funktionsansprüche gestellt werden. Die Serie umfasst auch keramische Formstücke für Sehbehinderte und Blinde.

„Unendliche Gestaltungsmöglichkeiten.“

The highly sintered unglazed single-colour tiles of the Taurus COLOR series are the benchmark of our high level production. The uncompromising quality, variety of tile surfaces, and technical supplies allow the tiles to be used not only in modern, timeless interiors but also in spaces with higher functional requirements as well. The series also includes ceramic shaped bricks for the visually impaired and blind.

„Unlimited design possibilities.“
